Mr. Willis Snow to Miss. Rebecca Gould both of Orleans.

At a Chh. meeting. Oct. 6: 1773.

Complaint was made to the Chh. by Brother Richd Paine, against Deacon Jonathan Higgins for Conduct He thot to be justly offensive. The Complaint was exhibited in Writing & was refer'd to ye Chh for Consideration, of which ye following is a true Copy.

"To the Revd. Mr. Jonathn Bascom Pastor of ye first or south Chh. in Eastham, to be communicated. June 29th; 1773 —

At a Meeting of ye first or south Chh. in Eastham, on ye 23d Day of March 1772. At ye South Meeting-House in sd Eastham, Jno Freeman Esqr; moderator, the Chh Voted to chuse a Committee, & Deacon Jonathan Higgins being nominated for one of the Committee, He ye said Deacon Jonathan Higgins rose & did then & there say "Some did not like him for a Committee-man," & I being one ye nominated him, answered "that I knew of no such person". He ye sd Dn immediately reply'd (looking towards me) "you are ye man" And then (turning towards ye Moderator said also,) "Master Paine is ye very man." These or Words of ye like import, ye sd Dn Jonn Higgins utter at sd time & Place.

And by these words so uttered, I think myself injured, & yt ye sd Dn Higgins went much out of ye way; — for if I had Offended him in any thing, he ought to have told me of it between me & him alone according to ye Command given by ye great head of ye Chh. Matth. Chap. 18 Ver. 15. — Moreover if thy brother trespass against thee, go & tell him his fault between thee & him alone: if he shall hear thee, thou ha gained thy brother. But if he will not hear thee, then take with thee one or two more that in ye mouth of two or three witnesses, every word may be established. And if he shall neglect to hear them, tell it to the Chh. — But ye first I never heard (or that of it) He told it to ye Chh.

By this (I think) I was held up before ye Chh in a very odious & base light: I having first nominated him — then saying I knew of no such person as dispised him (or a Committee-man) He then immediately to tell ye Chh. I was ye very man ye dispised him, representing me at once a very great Hypocrite as well as Liar. But I deny ye Charge, & plead not Guilty — Thos Paine"

After this Complaint was read, it was proposed as proper that ye Deacon make some Reply to ye Charge exhibited against him if he had any thing to object. — The Dn did not deny ye Expression complained of, but observed upon it that he then thot he had occasion to say as he did, & he thot so still. — But did not say wt ye Occasion was. — [illegible] an Acknowledgment [illegible] he had offered to Brother Paine, wch he declared was as much as he could in conscience do, [illegible] to make him Christian [illegible], & desired it might be read. [illegible] number of ye brethren [illegible] ye motion. Others [illegible] ye Propriety of hearing ye Acknowledgment till ye Chh [illegible] ye Charge [illegible] whether it deserved ye Chh's notice & required an Acknowledgment. — It was proposed this be determined by a Vote of ye Chh. A Vote was then called. Whether ye sd Acknowledgment [illegible] to determine Whether ye Expression was guilty offensive & needed an Ac-

Acknowledgment ! It passed in ye
Affirmative . The Acknow-
ledgment was then read ; A Copy
of which is as follows

" At a Meeting of ye South Chh in
Eastham sometime in March 1772
I was nominated by Brother Thos
Paine to be a Committee man But
I made Answer yt I desired to be
excused because some was against
my serving in ye Office - to which
Brother Paine replied that for his
part he knew of no such man .
Now whereas in Answer to this
Declared before the Chh yt he was a-
gainst it saying master Paine
is ye very man or in words to ye
same purpose & Sd Paine being of-
fended at ye words thus uttered think-
ing his Character was thereby in-
jured & that I ought to make him
Christian Satisfaction I hereby ac-
knowledge yt I was hasty in what
I said in ye saying as I did was not
intended to hurt his Character But
since he is offended I am sorry for
it & beg forgiveness of this Chh &
of Brother Paine in particular
& do put on Charity for them ho-
ping they will exercise ye like
Charity towards me

Jonathan Higgins "

Then Brother Paine mentioned
several things wherein he thot this
acknowledgment was defective, as
Reasons why it was not satisffacto-
ry to him —

Then it was moved, & seconded by
some of ye brethren, yt a Vote be
called Whether this Acknowledg-
ment be equal to ye Charge ? Others
objected yt as they would be a Defec-
tive [illegible] if it put in ye Affirma-
tive [illegible]

Committee to wait upon ye sd

Then were both the Charge & Acknowledgment read over, & this Vote called

3. Whether ye Acknowledgment of Br [illegible] Cth as now read, be looked upon by ye Cth. Adequate to ye Charge [illegible] against Deacon Rice [illegible] by Brother Paine. It passed in ye Affirmative.

Brother Paine, not being satisfied, did then appeal to Council.

The above recorded by
Jonathn Bascom Pastr

At a Meeting of this Cth. Octr 13th: 1773, The Cth was informed yt it was at ye Desire of Brothr Thos Paine yt the meeting was called, who had something to offer. Brother Paine then rose & said

"The Dispute (referring to ye affair enquired into at ye meeting ye 6th Instant) now lies between ye Cth & me: I have appealed to Council. What I desired ye Cth to be called together for at this time is to invite the Cth to joine wth me in calling a Council of Chhs to determine this matter between us".

However it was proposed as proper to endeavour first to reconcile this Matter between ye two brethren, & not at present to consider ye business upon wch ye meeting was called. And it was proposed yt Dn Higgins & Brother Paine privately converse together, to see if ye affair could be accommodated. [illegible] informed ye Chh [illegible] ye pp that ye mat-ter was [illegible] to be [illegible], but ye pp had not quite agreed, where-upon ye Chh voted to chuse & did chuse a Committee of five of ye Brethren to wait upon [illegible] & Paine to endeavor to reconcile 'em. The 5 brethren chosen were Deacon Pepper, Lieut. Edmond Freeman, Lieut. Gidn Freeman, Brothr [illegible] Smith, & Brothr Job Crocker. Then Voted yt ye Meeting be adjourned till next Wednesday 3 O'clock to receive ye Report of sd Committee.

In church meeting July 3. 1799, a complaint was exhibited against Dr. Joseph Seabury, for frequent excessive use of Spiritous Liquors, & that he persisted in the offencive practice after some private endeavors to reclaim him. "To Dr. Joſeph Seabury.

Dear Brother,

The church whereof you are a member, ſenſible of their obligations to watch over oneanother in love; obſerving that you had walked diſorderly, to the scandal of your holy profeſſion, & that private endeavours had proved ineffectual to reclaim you; did, on July last, ſuſpend you from Special Ordinances; & at the same time chose a Committee to inform you of it, and to uſe their best endeavours to bring you to a ſenſe of your fault. We hoped that your Reformation, & ſpeedy Reſtoration to the charity & communion of the church, would have been the conſequence. We are sorry, that by your neglecting to hear the church, in their charitable attempts to serve you, & by a perſevering, &, we fear, increaſing, indulgence to the same vice, you make further attempts of this kind neceſſary for us. For

both

both which, we think you are greatly reprovable: and accordingly we have voted, unanimouſly, to ſerve you with this Admonition. We think it our duty to communicate to you the feeling ſenſe we entertain of your dangerous Situation; and to remonſtrate to you the aggravations of your offence, as 1— That the vows of God are upon you, & that you are under eſpecial obligations to "keep under the body." 2— The length of time you have gone aſtray; a number of years. 3— The great frequency of your exceſses, & that they have, ſometimes, been indulged to a very high degree. 4— Your having perſiſted in the offence, after the pains which your chriſtian Brethren have taken to reclaim you. We therefore admonish & exhort you to forſake that dangerous vice, & ſpeedily to humble yourſelf before God; & to become reconciled to him; & to your chriſtian Brethren; & to attend your duty in the church. Yea, we entreat you to do thus, as you value your Reputation & uſefulneſs in the world; as you value your health & life; & eſpecially, as you value your Relation

to

the christian church, & the favor of God; as a forfeiture of all these, you must expect, will be the consequence of persisting in the error you have unhappily fallen into. Thus we tender you our assistance, with a plainness & freedom that should always accompany christian rebukes. And we trust you will find that we are not more ready to rebuke an offending Brother, than to forgive him, upon his Repentance; and subscribe ourselves your christian Brethren.

Done in Church Meeting,
April 6th 1800.

Jona Bascom, Pastor. { In name, & by order, of the Churc

The above offending Brother, in the concluding reflective part of his Life, discovered hopeful marks of Repentance, & had matters in preparation to satisfy ye Church for his offence; so as to be restored to their Charity; but his sudden death prevented. — This is recorded with a view, as far as it may serve, to roll reproach from the christian name & profession, J Bascom.

Augt. 28th 1805. The Ch voted a Committee, viz. Deacons Sparrow & Rogers to wait on Simeon Kingman Esqr to inquire why he has for so long a time absented himself from the public worship & special Ordinances, & to report ye next Lecture day.

Oct. 2d 1805. The above

Committee reported that
they had attended ye business
of their commission, & that
Esq Kingman told them, he
was not yet ready to offer
ye Reasons of his conduct, &
would not engage to wait on
them to do it, or to set a time
for them to attend him again.
Therefore the Ch voted for them to hold
their commission, & be ready to
hear his reasons, & if necessary
to wait upon him again
for that purpose; & to report next Lecture.

Octr 30 1805. The above Committee reported, that they had
waited upon Esqr Kingman a
second time, & that they found
him not disposed to give them
all the reasons of his non attendance, & P. all the reason he
should offer for his conduct
was, that he was hard of
hearing, & if that was not
satisfactory, they need not expect any thing further from
him. Ye Ch. voted to suspend the matter for the
present.

o Mrs Keziah Cole Dear Madam At the request of he Church of which you are a member I communicate to you the vote of the Church at a regular meeting with regard to yourself and Address to you letter of Admonition. The vote was to this effect. hat Mrs K. Cole be suspended from the communion.— ecause she declares herself to be a believer in Universalism and avows her intention of attending up on the ministry of those who Preach it. Having mentioned the vote of the Church. I will now assign the easons which influenced their minds in passing it, the design of suspension & the feelings of the Church towards you.

The Church consider that you have violated your covenant engagment, by forsaking their Assemblie Heb. 10: 24 25th. If you will read over the Covenant of this Church, you will perceive that you promised to walk with this Church of Christ, faithfully attending the publick worship of God, watchfully avoiding whatever is contrary to purity, peace, and love! Now he Church feel that by attending the preaching of Universalists you have broken covenant & have done that which is contrary to peace & love. The Church elieve you have denied the faith you once professed. eb. 10: 23 Read the Artiles of faith & you will see that this hurch believe in the Doctrine of the Endless punishment all the finally impenitent". Now you have avowed the pposite doctrine. The Church feel that you have denied the he faith, which you once professed. Having thus broken ovenant with Church, disturbed its peace & given occation the world to reproach the cause of the Blessed Redeemer & mbraced sentiments which they consider contrary to the ord of God you have grieved the Church. The Church promised to watch over you. and they have fulfilled hat promise, first by sending a committee to ~~co~~ with you, and now in sending you this letter. These re the reasons which influence the brethren to suspend you. The design of Disapline is the good of the offender bring him to repentance & restore him to duty. The Ch do not wish to injure you but to do you good & feel a esire to recover you out of the error into which you are fallen: It grieves them to deny you the precious rivilage of celebrating with them the Love of their eparted Lord; but fidelity to you & to their Saviour has dictated the measure which they have adopted. They onsider it a sacred duty to guard the Lord Table, & prevent the approach of such as may communicate unworthily and be guilty of the body & blood of our Lord Cor. 11: 27. 28. They have therefore suspended you in hopes at you may be brought to repentance & return to your uty: and then with great cheerfulness they will restore ou to their fellowship. And for this purpose a Committee will ait on you again with the sincere desire of seeing you convinced of your sin and restored to your former faith. ou see by this, that the Church do not indulge any unind feelings towards you, that they do feel an anxious esire for your eternal welfare & think that they are—

influenced in their conduct towards you by a sense of duty to you, to themselves, and to the great Head of the Churc They hope therefore that you will receive this admonit kindly, and not harbour resentment against your Breth for dealing faithfully. It is understood that you are sti a member of this Church, and though the Church hav felt it to be their duty to suspend you from their fellow and communion for a time: they hope to see you a penita and to enjoy the great pleasure of sitting with you agai at the table of our Lord. But should the Church be dissa[illegible]led by your remaining stedfast in your present erroneous sentiments & practice it will then become necessary for them t proceed further according to Scripture Authority. The Church therefore affectionately exhort you to examine yo hopes for eternity, to consult the Holy Scriptures and prayerfu to look to God for the Aid of his Holy Spirit, who will convin you of your error & bring you to repentance & restore yo to the fold of Christ from which you have wandered. By the authority of the glorious redeemer (Matt 16:19. 1 Cor. 5:4- and by request of the Church I solemnly & affectionately admonish to repent of your great sin in grieving you Saviour in the house of his friends, by forsaking the assemblies of his Saints and denying the plain doctrines of God's Holy word, & by your example leading others int road to eternal Death. How Solemn and awful is th consideration that you not only hazzard your own sou but the souls of your dear Children & of every other perso over whom you have influence. I admonish you to fea God, to believe his word and not man, according to the advice of Christ Matt. 10:28 "And fear not them that kill the body, but are not able to kill the soul; but rather fear him which is able to destroy both soul & body in Hell" I admonish you to seek pardon from God, ~~for all~~ your sins through the merits of the Blessed Saviour and earnestly & sincerely desire the Holy Spirit to enlighten your understanding that you may know the truth, and I do assure you that the Saviour will cheerfully restore you to favour upon a hearty repentance and confession of your sins. Until the Church therefore obtain evidence of your repentance and disposition to return to duty they do suspend you an do hereby declare you to be suspended from their fellowship and from the Holy Eucharist. For and in behalf of the Church

Letter of Excommunication to the same Person

Mrs Keziah Cole. It becomes my duty, by the vote of the Church to address you once more. Some time since the Church finding that you ha forsaken the assembly of Gods People and was attendin the Ministration of those who they believe do not preac the Gospel of Christ: sent a Committee to you to inqui into the state of your feelings. By that committee the Church were informed that you expressed your satisfaction with the doctrine of Universal Salvation & stated that it was your determination to attend where that Doctrine was Preached.

upon this the Church voted to send you a letter of admonition
hopes you might be saved from the danger, which threat
ned the prosperity of your soul. In that letter the Ground
the Churches procedure was stated to be that you had
roken covenant with the Church by absenting yourself from
heir assemblies, and avowing your belief in a doctrine con-
rary to their confession of faith & the scriptures. It was
lso stated that the Church had no unkind feelings towards
ou and that what they did was intended for your good
It was also mentioned that a committee would wait on
ou again before the Church proceeded to the sentence of
xcommunication. That committee you have seen, and they
have reported that you now desire to take no further meas
ures to restore you to their communion, and that you
manifest a disposition to attend on the Ministration of those
ho preach soul destroying error. This report grieved the
Church. finding that their admonition was lost upon you
that their best hopes of your repentance were in vain
hey have come to the solemn determination of exclud
ing you from their communion, & passed a vote to that
ffect at their last Church meeting Octr 14th 1834
you are now therefore no longer a member of this Church
the members can no longer hold communion with you
nd though it grieves them to tell you so, you are now
xcluded from all the priveleges connected with the
household of faith & the fellowship of the saints. Should
the Lord ever grant you repentance unto life and
cause you to see your error you may be restored to
their fellowship on a proper application. Before
taking their final leave of you the Church would again
declare that they have no unkind feelings towards you
and that they ~~would~~ earnestly desire that you may
yet escape from the snare set for your soul. The Chh
earnestly exhort you to consider the very solemn sit-
uation in which you are placed. They exhort you to
xamine well the foundation of your hopes for heaven
and see to it that you are not deceived with a vain hope.
They would suggest to you the propriety of a careful
& candid perusal of the Bible, and constant, ear-
nest & humble prayer at the throne of Grace, that
you may know the truth. They are sensible that
no one but the Holy Spirit can convince you of your
error, and perishing condition, or bring you to repentance
and they do most earnestly beseech you to implore the
light and aid of that blessed Spirit to shine upon
you that you may see your perishing condition and
be saved from the wrath of God. for they believe
with the Apostle that it is a fearful thing to fall into
the hands of the living God.

Orleans Decr 29th 1834

Mrs Olive Taylor,

At a regular church meeting
of the first Congregational Church of Orleans of which
you are a member. a vote was passed to suspend you
from the communion & fellowship of the church & that
a letter of Admonition be sent you the duty of preparing
which devolves on me. The reasons why the Church
passed the above vote are as follows: 1. you have
broken your covenant engagements with the Church.
when you became a member of the Church you prom
ised to worship with them and to study their peace &
prosperity, but laterly you have forsaken their assem
blies, and attended the ministration of those who

they honestly believe to be in a dangerous error. & thus you have grieved Christ and the Church

2. you have persisted in your error.

The Church have sent several committees to call and converse with you and endeavour to bring you to repentance - but to their sorrow they have failed.

you have avowed your determination to hear erroneous doctrine & continue to absent yourself from the house of God. Therefore, the Church do hereby declare you to be suspended from the Lords Supper untill such time as they obtain evidence of your repentance.

The Church are not moved to the performance of this painful duty by any unkind feelings or resentment towards you, but are influenced by love to your precious soul, which they fear is in danger of eternal Death and would willingly persuade you to escape from the wrath to com . They hope that you will be brought to repentance, and restored to their fellowship.

In conclusion the church would admonish you and warn you to examine well the state of your own heart, your hope of Heaven, and the scriptures of truth & pray to your Heavenly Father for the light of his Holy Spirit to shine upon your understanding & melt your Heart into penitence, before it be forever too late. and you lament your folly throughout eternity. For and in behalf of the Church

We exhort you to do it as you value your usefulness & reputation in the world — as you value your life & health, as you value your relation to the Chh. & above all things as you value the favour of G & the worth of your soul.

Thus Dear Brother we offer you our assistance - we give you our advice with a [illegible] candour which shd always
